EXPERIENCE

Apprentice

SABESP | 2018 - 2020

I worked in the financial department of SABESP in Lins, where I assisted in organizational control and the submission of physical documents. I also participated in creating digital documents using Word, Excel, and PowerPoint templates.

Trainee

Linsfibra Provedor De Internet | 04/2020 - 09/2020

I assisted in the control and maintenance of physical devices, such as Optical Network Units (ONUs). I investigated the causes of internet connection problems and suggested possible solutions for the company's clients' connections.

IT Assistant & Developer

ViaRondon | 03/2024 - Present

At ViaRondon, I perform the functions of IT Assistant and Developer, focusing on the development and analysis of systems in PHP and JavaScript. In addition, I am in charge of maintaining equipment and computers, analyzing and monitoring data. I also contribute to stock control and carry out a variety of operational and technical tasks to ensure the efficiency of internal processes.
